

Alibaba

Once a poor man named Ali Baba was out walking and he saw something strange.

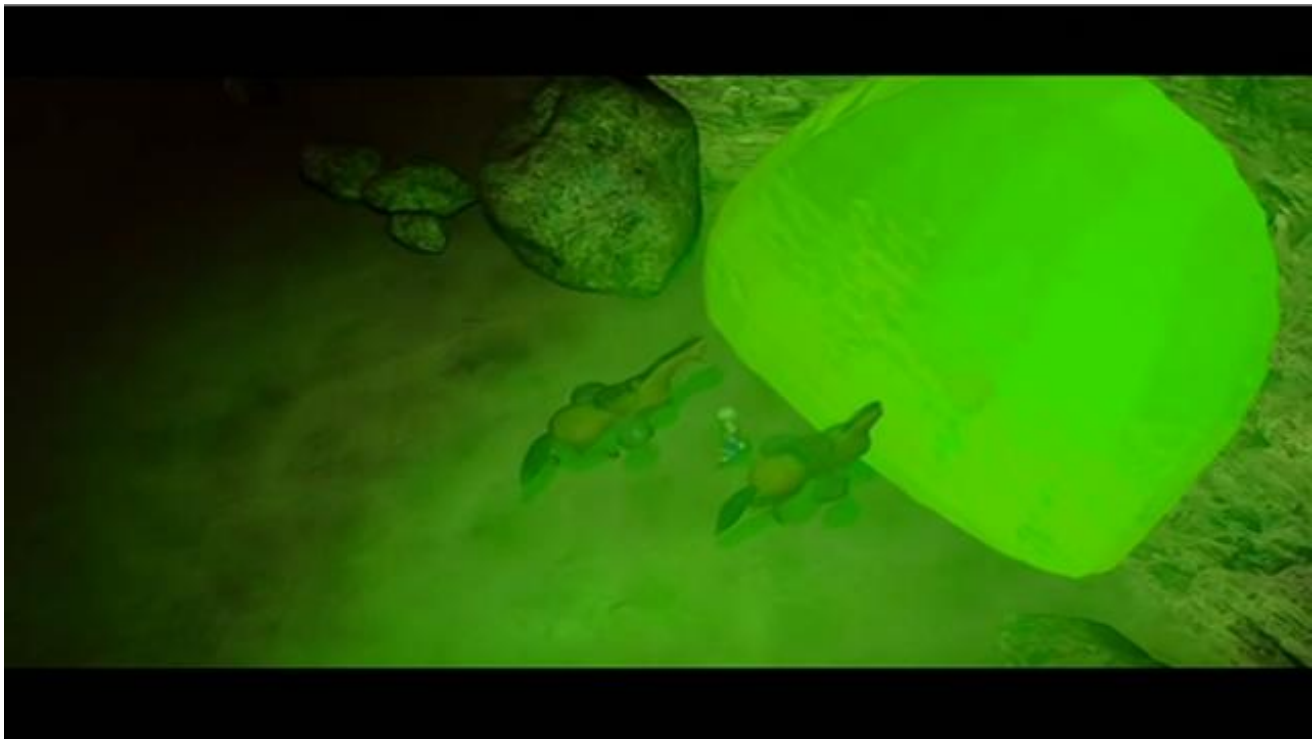

He saw a band of forty thieves.

The thieves' leader walked to a stone wall and said the magic words "Open, Sesame".

A large door to a cave opened.

The thieves went inside.

Ali Baba said the magic words "Open , Sesame" and again, a large door opened to the cave.

Ali baba found a treasure of gold coins and other gold objects.

He filled treasure chests with gold and left.

Ali Baba was now rich and he bought many expensive things.

His brother asked him how he became rich. Ali Baba told him about the cave and the magic words "Open, Sesame."

The brother went to the cave and said the magic words. The cave door opened.

The brother went in the cave, filled bags with gold and started to leave.

But the thieves came in and caught him trying to escape.

They cut off his head and put it on a stick. Ali Baba found it and was very upset. He made a plan for revenge.

Ali Baba sent a dwarf to invite the thieves' leader to dinner.

The leader accepted and came to dinner at Ali Baba's palace

After dinner, Ali Baba told the thief he knew he had killed his brother. They began to duel.

and Ali Baba killed the thief.

He went back to the cave and took all the thieves gold.
